Exodus 19:5, NRSV

Call To Worship

Let us hear the conclusion of the whole matter:

Fear God and keep His commandments,

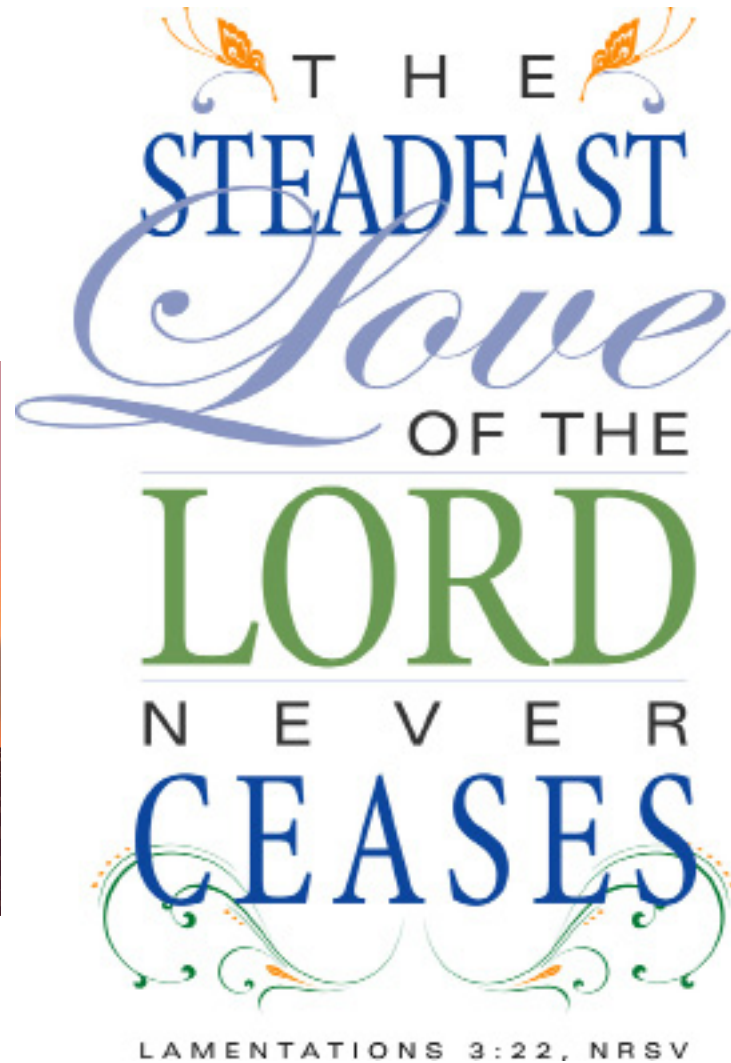

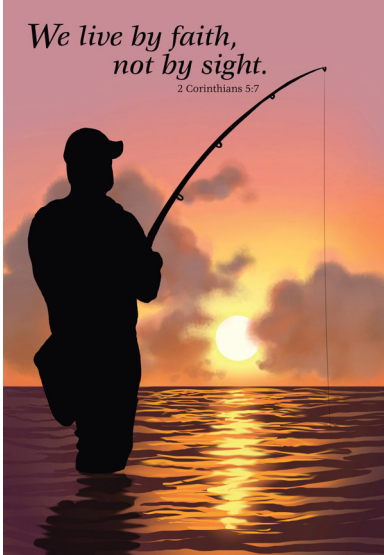

For this is man's all.

For God will bring every work into judgment,

Including every secret thing,

Whether good or evil.

Ecclesiastes 12:13-14

Genesis 9:18-19, 28-29 (NKJV) Now the sons of Noah who went out of the ark were Shem, Ham, and Japheth. And Ham was the father of Canaan. These three were the sons of Noah, and from these the whole earth was populated.

The current population of the earth is 7 billion people. Without death and disease the current population would be much greater. If the population of the earth doubled every 100 years since the flood; the earth's population would be 6,597,069,766,656. The reality of the earth's population proves that the Bible is true.
